

RESOLUTION of the Scientific Director of the Centro de Investigación Biomédica en Red de Diabetes y Enfermedades Metabólicas Asociadas (CIBERDEM), in which it resolves the third extraordinary call of the DIATRRAIN (COMP) program, consisting in the award mobility fellowships for the stay in a foreign research institution aimed at postdoctoral researchers of the CIBERDEM consortium.

The DIATRRAIN (DIAbetes Trans-national Research Advancement for Investigators) mobility program, co-financed by the FP7 Marie Curie Actions-People-2010-COFUND program of the European Commission with the Grant Agreement No. 267248, announced the third extraordinary call for applications of the COMP DIATRRAIN program for three mobility fellowship addressed to all the postdoctoral researchers hired by CIBERDEM who wanted to stay in a foreign research institution between six and twelve months. In total, these three fellowships could not exceed the 30 person-months.

Considering the evaluations of all the candidates by the External Evaluation Committee and the Coordinator of the program, **The Scientific Director of the CIBERDEM**

RESOLVED, that a DIATRRAIN (COMP) fellowship is awarded, in accordance with the terms and conditions found on the abovementioned Grant Agreement, to each of the researchers indicated in Annex I of this document, for a research stay in a foreign research institution.

RESOLVED, that the duration of the fellowship is between six and twelve months and the starting date will be decided in agreement between CIBERDEM, the supervisors in the host institutions and the researchers.

RESOLVED, that a list with the candidates not selected can be found in Annex II of this document

RESOLVED, that this resolution will be publicly available on the website of the DIATRRAIN program.

Barakaldo, 25th October 2013.

Dr. Luis Castaño
Scientific Director of CIBERDEM
