2021 DNSG SYMPOSIUM WILL BE HELD VIRTUALLY

Dear Friend,

We are pleased to inform you that the Organizing Committee and the Board Committee of DNSG 2021, after analysing the situation of COVID-19 worldwide and its impact on the symposium, has decided to hold the event virtually. The uncertainty about the current situation and the priority of guaranteeing the health and safety of all participants has led the Organizing Committee to make this decision.

The Symposium will take place virtually on June 21-24, 2021, from 3 pm to 7 pm approximately (CEST Time).

We would really like to count on your participation in the 38th International Symposium on Diabetes and Nutrition, to overcome together the current setback.

Please find below some important information about the 2021 DNSG Symposium:
